3-4:30pm 8/10/2021  
LPG Clubhouse – Card Room

The LPG Street Captain Training is scheduled for Monday 8/16 3:30-5pm, in the Card Room at the Clubhouse. Lanyards with plastic name tag holder and "LPG Neighborhood Watch" ribbons will be ordered for Street Captains. The training agenda was reviewed, questions and suggestions were addressed, and the training agenda was approved.

Five Neighborhood Watch forms from the June 10, 2021 Information Session were revised into four forms for the LPG Neighborhood Watch, per the recommendations made at the July NW Committee meeting. The forms are now as follows:

- Neighborhood Watch and Street Captain Summary
- Street Captain Introduction Letter
- 1-page Resident Record revised to 1-page Street Captain Section Resident List
- Communication List/Calling Guide for Street Captains

These forms were each reviewed and approved by the Committee. It is recommended that each resident who has a Street Captain receive the Neighborhood Watch and Street Captain Summary along with the Street Captain Introduction Letter. All of these forms will be put in a folder and distributed to the Street Captains at the training on August 16. At least three people will bring cookies to the Training.

The Caretaker Communication Tree will be discussed at the next meeting, after the Street Captain training. The vacant home map has been received from LPG Manager- as of June, 17% of owners were gone for the summer. We will need a volunteer to contact Caretakers, after requesting and receiving a list of caretakers from LPG Management Office (Las Palmas has already received this). The Caretaker Communication Tree Form has the caretaker name, unit, phone, email and preferred primary contact method.
