

Las Palmas Grand Neighborhood Watch Program

A Collaboration of LPG Residents, LPG Residents Association,
Thesman Management and the Mesa Police Department

Dear Neighbor,

LPG is launching the newly renovated Neighborhood Watch Program.

The purpose of Neighborhood Watch is to create a safer and more secure community for all of us.

Participation in Neighborhood Watch is voluntary. However, the more people that participate, the safer we all are.

Neighborhood Watch:

- encourages everyone to help community safety and security by being extra "eyes and ears" for the Mesa Police.
- organizes community communication through volunteer Street Captains for community awareness.
- provides crime prevention education and specific information of interest that may affect our personal safety or security.

All Street Captains have LPG Neighborhood Watch name badges on lanyards. Your Street Captain is the person who will keep an eye on your street, but is **not a caretaker for your home or street.**

Your Street Captain is:

Name _____ Unit # _____

Phone _____ Email Address _____

If any suspicious activity is observed, we encourage all residents to first contact the **Mesa Police (non-emergency phone 480-644-2211 #2)** and then your Street Captain, and report any criminal activity directly to Mesa Police (call **911**), then your Street Captain.

If you choose not to participate at this time, we invite you to please keep this information if you decide to participate in the future. If you have any questions, please call your Street Captain, or Sally York, (Unit 521, phone 253-228-1790) LPG Neighborhood Watch Coordinator, or the LPG Management Office (480-357-5000).
