How long have you been a homeowner?

4 years ago on August 24, 2018, my husband and I moved to Las Palmas Grand from NY state.

What are the two strongest skills you would bring to the Board?

I think my strongest skill is "sticktoitiveness". I am not a quitter. I work well with others and attempt to reach amicable solutions to every issue brought before the Board. I put the required effort into solving each issue making sure to look at more than just one side of it.

I also believe I have good communication skills. I try to respond to questions in a way that I would want to have someone respond to me. It isn't enough just to know the answer to a question. I think it is just as important to be able to explain the how and why of that answer. I feel that the manner in which you present the answer is also very important.

Why do you want to serve on the Board?

I have been on the Board for 3 years. The first year as Secretary, the second year as 1st Vice-President and this past year as President. I have thoroughly enjoyed serving on the Board. I have learned so much about this community. The first time I ran for office, I said that I was running because I wanted to help everyone else to be just as happy living here as I am. I still feel that way. I love it here and am willing to do whatever I can to try to keep this community a great place to live.

Are you willing to commit the time necessary to accomplish Board tasks?

Yes. My record shows that I am willing to commit as much time as needed to the Board to help make sure that the Board as a whole is as effective as it can be. I am retired so I have the time to commit to this and do it willingly.

Are you willing to stand for election for a term of two-years in November?

Yes. They say time flies when you are having fun and I will say that is quite true. I totally enjoy being on the Board. I will commit to this term of 2 years with no hesitation.
