To be considered as a Board Member for LPG, I would like the homeowners of this community to know a little bit about my background:

I have been in the home building industry for most of my working life. Upon moving to Arizona, I changed my career a bit and began working for a prominent RV/Mobile home 55+ resort until I retired in May 2019, approximately 5 years employed with this company. I started out as a part time front desk office clerk. After one year I became the fulltime office manager and got involved in the many aspects of home ownership in this highly regarded community. The following are a few of the areas I was involved in and thoroughly enjoyed:

1. I held all New Owner information meetings
 - a. Review of all documents
 - b. Discuss Rules and Regulations
 - c. Discuss HOA processes'
 - d. Touch base on CC&R's (Covenants, Conditions and Restrictions)
 - e. Review of the Board and responsibility of each Board Member
2. I was also a member of the Architecture Review Committee
 - a. Board discussion of all architectural requests and complaints
 - b. Review CC&R's (Covenants, Conditions and Restrictions)
3. I attended all Board Meetings as to keep myself educated on all aspects of living in this community and to better serve the people
