

GENERAL MEETING MINUTES

04/02/26

CALL TO ORDER at 9:30 AM, 58 in attendance

Paul Frankito, Construction Manager, came to speak to residents regarding recent issue about the pool closure. Highlights:

- Explained what happened behind the scenes; pool closed because the pool pump seal failed. It's a big motor. Motor is two years old. Last motor lasted about 12 years. Maintenance found a replacement. In the past, used a couple of contractors, but not entirely happy with them. Found a motor last Wednesday, then impeller broke. Called a contractor, who came on Saturday but they couldn't fix it; thought maybe an electrical problem; brought more maintenance people in, and finally was repaired. Then the pool was cleaned. Spa had been closed at same time as pool closure, but didn't need to be, so reopened the spa. Management was aware that many residents were unhappy with closure.
- Paul was asked when pool hours changing time to summer time. He indicated that was an office issue, but resident was told it was a maintenance issue.
- He works on capital budget, and works for all ten communities.
- Residents asked Paul if the office could give information out to residents when something is wrong.
- Residents were very thankful that Paul came to speak to them, and that communication is the key.
- Resident complained about street lights not being replaced. Paul mentioned that street lights are owned by SRP; each pole has a number near the base; residents should then call SRP. Again, front office did not mention that to resident.
- Condition of Dog Parks: It is construction's responsibility that irrigation is provided. Maintenance will adjust as needed. Will see if one side of dog park can be shut down so that it can be repaired (shutting down for 2-4 weeks); they may possibly look at planting Fescue. Should be mowed every other week. Resident questioned putting stone in the park entrance area, which may help keep the mud down. Paul indicated that turf will not be put in dog park. Resident mentioned that when bougainvilleas were cut back, a lot of thorns were left in the grass. Resident mentioned that her vet said that dog park areas should be watered constantly to keep bacteria out. Paul will take a look at the dog park areas.
- Looking at turf companies to replace some of the community grass areas. Two landscapers are on staff, but they are not turf certified. They work on lawns in quadrants. Flags are out for the aerators. Next week, lawns will be dethatched. Going to try to adjust watering; trying to get water onto the grass and into the soil. The two landscape members are not in charge of how much water, etc. A lot of conversations behind the scenes.
- A supervisor periodically checks on common areas.
- Resident asked if fan palm in front entrance could be trimmed as causes some sight clearance.
- In the fountain area, there seems to be more weeds and plants need to be deadheaded. When spreading fertilizer, it would be nice to communicate more when that's happening. Request made to notify residents when something is being done to common areas.
- Resident indicated that it was "promised" nine years that the bocce ball courts would have artificial turf. It was done at Las Palmas about a month ago. Paul mentioned that it is being looked at but is very expensive. Courts were revitalized last year.

- Resident wondered if ceiling fans be installed in the ballroom. Paul mentioned that four AC units will be replaced for the ballroom in the next few months. Help to cool more efficiently. Better fan speed. Start with new units before looking at adding ceiling fans.
- Sourcing the pump for the fountain took some time!

Outcome: Residents were very pleased with having Paul attend this meeting. They repeatedly mentioned that communication between management and residents is very important, and they would like to see more of it.

PLEDGE OF ALLEGIANCE

INTRODUCTION OF BOARD MEMBERS

President – Donna Provost
 1st Vice President – Peggy Marcone
 2nd Vice President-Ted Johnston
 Treasurer-Cheryl Jorban
 Secretary-LuAnn Cameron

MINUTES of 3/5/26 General Meeting: Donna Provost

ACTION: Motion to accept, seconded and approved.

TREASURER'S REPORT: Cheryl Jorban

Beginning bank balance of 4/1/26:	\$1,422.34
Deposits:	\$299.00
Expenses:	
Ending bank balance of 4/31/26:	\$1,721.34

ACTION: Motion to accept, seconded and approved.

OPEN ITEMS

- Request from resident for management to replace the burned out lamp posts near the main entrance of the main gate. They have been out for months.
ACTION: Clarification made to what was burned out; bulbs will be replaced.
- Request from a resident to replace the hose near the recycle area. It has had the end cut off to avoid the worst of many kinks.
ACTION: Christie checked with maintenance, and they will replace the hose. (It has been replaced)
- Resident reported no notification by management regarding pool heater not working.
ACTION: Christie will only send out notices to residents when she has the facts.
- Resident concerned about the condition of the dog park, indicating it hadn't been mowed in some time.
ACTION: Finally mowed; maintenance will aerate the grass. Will start the grass conversion soon for the entire LPG.
- Request for Ceiling Fans in ballroom.
ACTION: Christie will check on.

- Ted and his working group will be putting together a proposal for new chairs for craft rooms, approximately 50 chairs. Ted mentioned that Palmas Del Sol and Palmas Del Sol East have better chairs. Construction office may have information on the chairs at the other two locations.
ACTION: Christie will talk with Scott in maintenance. Since it is a capital project, it needs to go into the next fiscal year. Did anyone ask Paul if there is a warehouse for the chairs? Will try to converse with Paul about that. Proposal needs to be submitted to management by the end of July.
- It was noted that the traffic signs in the community have new wording, indicating warning when speed is over 15 mph.
- Christie informed board that Julie is new admin in front office, and Annabelle is new assistant community manager.

BOARD ACTIVITY REPORT

- Future fundraising ideas:
ACTION: Cheryl did get five volunteers to be part of a working group. Will be meeting after this meeting. Will present next month.
- Display Board for RA info: Request was made to have space on bulletin boards in clubhouse hallway.
ACTION: Nancy approved, and information has been put on the board.

RESIDENT QUESTIONS AND CONCERNS

- Resident commented that RA meeting shows up on April 23.
ACTION: It is listed as board meeting, which is on wrong date. Linda accidentally put on the calendar, and Cheryl brought up to Linda. General meetings are listed on the back page of the calendar under Clubs and Activities.
- Resident expressed their appreciation to the community for attending the LPG Choir Concert on 4/1 and for generous contributions for the baskets that were raffled off.
- Everyone here has mentioned about communication being very important. Reminder that residents should feel free to contact any board member if there is something that affects the entire community. Also, residents are encouraged to fill out the form on the LPGRA site, which will be discussed with management and brought back to RA general meeting.
- Peggy commends this community for donations of hearing aids and eye glasses, which are submitted to Lions club; they refurbish and distribute.
- Resident recently visited Palmas del Sol and commented that they have a recycling program there (other than bottles and cans) Would like to see something done here.
ACTION: Resident was asked to submit information to board, which will be discussed at the next board meeting with management.
- Resident also mentioned that Palmas del Sol had waste containers for dogs located throughout the park, rather than just the dog park.
ACTION: This was previously brought up to management, and they do not want to put containers elsewhere, and it was also indicated that management does not want residents to use the common areas for walking their dogs.

MISCELLANEOUS INFORMATION

- Christmas Card Exchange: Bob Abling spoke about the Christmas Card exchange and upcoming changes next year to that program. Name will be changed to Santa's Exchange Card Program. Approximately 1700 cards were exchanged within the community last year!! Will start the Monday after Thanksgiving thru 12/20. Will be looking for volunteers to help deliver the cards. People really enjoyed it, especially those who were homebound. Information will be put into the Thesman Lifestyles and LPGRA Observer.

LITERATURE AVAILABLE ON FRONT TABLES – Comment Forms are on the LPGRA.org website and are sent directly to the Board from the website. Paper forms are up front and can be filled out and handed to any Board member. Other flyers too.

NEXT MEETING – May 7th – In the CARD ROOM

MOTION TO ADJOURN At 10:36 AM.

50/50 DRAWING. \$66 collected, \$33 to resident.

Respectfully submitted,
LuAnn Cameron
