OPEN ITEMS -

- Resident was concerned that LPG had not trimmed palm trees at the corner of Ellsworth and Guadalupe in a timely manner.

ACTION: The palms were missed by our contractor and then got overlooked by management. Paul doesn't have a date yet, but the contractors will be coming back out to take care of them.

- Resident requested a larger clock with big number by the pool area, stating the current one is too small to see or read.

ACTION: This has been addressed before and management was unable to find a suitable replacement. We will continue to seek a solution with management.

MISCELLANEOUS: Fundraising ideas

- HundredX - Cheryl Jorban: LPGRA has partnered with HundredX, a national organization that provides the means to give feedback to all sorts of businesses, etc. This is done by getting organizations to do the surveys as a fundraiser. Every survey earns $1.60. Maximum of 75 surveys per person. There is a thermometer, which will show our earnings, available in the lobby of the community center. Cheryl went through how to sign up. Sign up takes about 30 seconds. HundredX will not share emails. They have a great privacy policy. Resident shared that she has done this through another group, and she has never received any feedback/solicitation from organizations. Cards were available on tables for residents. There are about three ways to sign up; only have to sign up once. Businesses to be surveyed are selected demographically. A $100 gift certificate will be raffled off to those who have submitted 50 surveys. Any email address is acceptable, but resident can only use one for the surveys. If a couple shares email address, set up with different phone numbers. At the end of campaign, all surveys will be validated. HundredX would like people to survey places/items that you have been used in last six months. Each survey takes about 30-60 seconds. Besides selecting by category, you can also do a search by a word/s. After doing one specific company/item, HundredX will put a check mark next to it so you won't do that again. Just think about what you do on a daily basis. Someone asked what comes out of these surveys; HundredX will notify organizations of the results; maybe areas where businesses can improve. Campaign ends October 6. Only allowed to do one campaign a year. But if we reach our goal before it ends, Cheryl can request a higher goal. HundredX has been around for 14 years. Residents can also ask family/friends to do this. Emails have been sent out to all residents. Participants have to be 18 and older and reside in the US. Christie has been supportive in this effort.

  Resident inquired what will LPGRA use this money for; Cheryl informed group that the IRS requires that we give a portion back to other non-profit organizations. But we can also use funds to promote growth of LPGRA.

  ACTION: Residents were encouraged to sign up with HundredX and do the surveys!

BOARD ACTIVITY REPORT

- Nominations for board seats open. Nomination forms were available to those in attendance. Ted relayed that it's very important to volunteer on behalf of residents.

  ACTION: Forms may be given to any board member, or fill out electronically. Get those nominations in.

- Solicit suggestions of non-profit organizations that members would like to see LPGRA donate money to at the end of the year. Make-A-Wish Foundation of AZ and The 100 Club of AZ organizations have already been submitted.

  ACTION: Form was available on each table in which to write down possible non-profits to donate to at the end of the year.

  NEXT MEETING – October 1, 2026 – In the CARD ROOM

MOTION TO ADJOURN At 10:22 AM

50/50 DRAWING collected $74. Winner will donate back to LPGRA.

Respectfully submitted,

LuAnn Cameron
