GENERAL MEETING MINUTES
May 7, 2026

CALL TO ORDER at 9:31 AM

Attendance: 30

PLEDGE OF ALLEGIANCE

INTRODUCTION OF BOARD MEMBERS
President – Donna Provost
1st Vice President – Peggy Marcone
2nd Vice President-Ted Johnston
Treasurer-Cheryl Jorban
Secretary-LuAnn Cameron

GENERAL MEETING MINUTES OF 4/2/26
ACTION: Accepted as written and approved.

TREASURER'S REPORT OF MAY, 2026

Beginning balance as of 4/1/26	$1,721.34
Deposits	$348.40
Expenses	$47.96
Ending balance as of 4/30/26	$2,021.78

ACTION: Accepted as written and approved.

OPEN ITEMS

- Request from a resident who indicated that Palmas Del Sol has dog waste stations and recycling bins in their community. Would like to see it in Las Palmas Grand.
  ACTION: This was previously discussed at earlier meetings, and management denied both requests.

- Resident questioned why all special occasion celebrations i.e. Mothers day, Easter, take place at lunch time. Other communities have evening events.
  ACTION: Christie mentioned that when talking with Nancy, from Activities, more attendance occurs during the day than in the evening. Nancy has varied the times before and events were not well attended.

- Resident expressed concern for Unit 170 on 3rd Street. There is a tree full of rotting grapefruit, as well as weeds growing all over the lawn area.
  ACTION: Christie indicated that there was a legal process to follow, which takes time. Landscapers have now resolved this issue.

- Follow-up from last month:

- Replacement of hose and nozzle was taken care of immediately. Apparently, a resident had cut the hose.
- Request for ceiling fans in ballroom: Four new AC units will be installed in the ballroom in next several months.
- Chairs in crafts rooms: Management will not replace chairs, as they're still in good condition. There is not a warehouse full of new chairs; there is a shed of old broken chairs. A formal request for chair replacement in the craft rooms will be submitted for budget consideration this fall through Paul Frankito

BOARD ACTIVITY REPORT

- Committee Reports:
  - Craft room chair replacement: Ted had a meeting with Paul Frankito. Ted plans to make a formal request by September. Paul had indicated that fundamental expenses first, then wish list by their managers. Paul will put on wish list, but he's not promising anything for next year's budget. Work group has been informed of this decision. Shed is where the old beat up chairs are put into. There is a chair sample in craft room but that chair is no longer made; about $150/each.
  - Fundraising ideas. Cheryl indicated that a working group of five met previously to discuss fundraising ideas. Pam Williams and Cheryl Jorban to speak about a fundraising ideas:
    - Imprint place: Looked at cheapest things and visors were cheapest; cost almost $400 for 48 visors, which would be a profit of $100, so nixed.
    - 100X No cost on-line program. Participants share opinions about businesses. At least 75 businesses surveys need to be done per resident. For each survey, $1.60 is raised. Wreaths across America just did it, raised over $6000. They do not sell your email address. 20 people will make $3000+. Surveys are done during one month. Cheryl would provide training, if needed. Cheryl has to apply for approval. Money raised would go to our end-of-year donation to selected non-profits, chili cook-off, board expenses (webmaster, donuts). Consensus to do this in August.
      ACTION: Motion made, seconded, and approved to proceed with this fundraising event. Cheryl will apply and possibly do training at next general meeting.
    - Basket raffle. Suggestion made to do a 4th of July basket. LPG Choir raffled off five baskets at their last concert, and raised over $1000. Basket could be located in the community center. Choir members donated items or money for the baskets. $5 minimum. RA could donate some money; entertainment basket. When do we sell tickets for baskets? Cannot sell during activities, but could sit outside. Suggestion made to do basket at chili cookoff. Basket could be competitor to 50/50, which we had raised good money. Or we could do Christmas basket? Consensus is that July would be too soon. **ACTION: Will discuss this option at a later date.**

RESIDENT QUESTIONS AND CONCERNS

- June calendar showed board meeting on June 4.
  ACTION: This was a misprint, and it has been corrected. June 4 is the general meeting.
- Weeds everywhere especially around bushes and casita near Juniper Hills and 11th Street. Some weeds are five feet tall; lots of weeds and grass looks terrible.
  ACTION: Will present to management.
- Hot tub won't turn off; hasn't been turning off after 15 minutes.
  ACTION: Maintenance will be notified.
- Outside ballroom near BBQ is missing.
  ACTION: Management had mentioned previously that furniture is in process of being refinished.
- Brown decorative lights on outside and entrance of the gate, still have not been replaced. Not SRP light poles.
  ACTION: Management will be notified.

MISCELLANEOUS INFORMATION

- Residents were encouraged to fill out forms for issues; forms are located on the LPGRA.org website. Much easier to deal with management.
- Literature on table from Red Cross about dealing with temps over 100 degrees.
- Literature also available about dealing with animals that come into your yard. Also, Peggy mentioned that there has been a recent issue of rock squirrels digging into the ground, and they like to chew on wires under/around house. Seeds attract the squirrels. Residents are not to be putting seeds out; need to take away food source. Pests removed by professionals.
- Peggy notices that some residents have "stink" weed in their yards. Very invasive species, and will choke out other landscaping.

NEXT MEETING – June 4, 2026 – In the CARD ROOM

MOTION TO ADJOURN At 10:12 AM

50/50 DRAWING collected $64
