INTRODUCTION OF BOARD MEMBERS

President – Donna Provost
1st Vice President – Peggy Marcone
2nd Vice President-Ted Johnston
Treasurer-Cheryl Jorban
Secretary-LuAnn Cameron

NOVEMBER 6, 2025 MEETING MINUTES – Donna Provost

Question was raised on the open item about landscaper that threatened a resident and that management couldn't do anything with license plate number. Doesn't security at the main entrance take license numbers? Could there be a clarification? **ACTION: This will be addressed at the next management meeting. Motion and second to approve meeting minutes; motion carried.**

TREASURER'S REPORT – Cheryl Jorban

ACTION: Motion and second to approve treasurer's report: motion carried.

OPEN ITEMS LIST -

Six non-profit organizations were suggested for the December non-profit donation:

- Family Promise of Greater Phoenix: They help families facing homelessness and secure stable housing through safe shelter, carrying connections, and building a community. They vow to keep children, parents, and even pets, together.
- Sunshine Acres Children's Home: They provide a stable, Christian environment for children in need.
- 100 Club: Provides assistance, including immediate financial aid, education, and ongoing support for all public safety members and their families.
- P.A.W.S.S. (Pups and Warriors Side by Side): They help disabled veterans, first responders and their family members train their own dogs to become their certified service dogs.

- House of Refuge: Provides transitional housing and supportive services for families experiencing homelessness.
- Arizona Farm Bureau: They provide programs and resources designed to develop leadership and build advocates for Arizona farmers.

Question was raised about having a donation bucket? Need to check on non-profit regulations.

In 2024, \$500 was given to two non-profit organizations. Projected 2026 budget is over \$2000 for recycling; only income other than 50/50.

ACTION: Motion made and seconded to spend \$2000 and split between the six organizations. \$330.00 will be given to each of those non-profits.

Resident reported a close call and near crash at Palm Circle due to residents parking on the side of the street, blocking view of oncoming traffic. **ACTION: Residents need to slow down.**

Resident reported that an invasive weed species is creeping all over the park, grayish to greenish ground cover, and seen in many common areas. Suggestion of sending an email requesting all residents to assess their yards for this weed and spray. **ACTION: Christie will check into.**

Resident reported that many of the stop signs in the community are no longer visible. Many year round residents know they are there, but many vendors and visitors do not see them. Either landscaping needs to be trimmed, or stop signs need to be placed where more visible. In addition, the new electric speed signs say THANK YOU when speed is over 15 MPH, perhaps they should say SLOW DOWN. **ACTION: Christie will check to see if wording can be changed on the electronic signs. Peggy will tour the community to see if any of the foliage should be trimmed and will present management with a map of questionable areas. Homeowner is responsible to remove foliage at stop signs in their yards.**

We will need three residents to review (not audit) the Treasurer's work for 2025. **ACTION: Mark Meiners, Mike Bickford, and John Stodola volunteered. Cheryl will be getting in touch with them to review.**

BOARD ACTIVITY REPORTS

Bags: Cheryl reported that she has ten bags left. \$10 each. (Five were sold at this meeting, leaving five left.)

LPGRA Observer: Cheryl received lots of comments on the last issue. Next issue will come out first part of February. Stories and recipes are welcome. Email or text Cheryl.

RESIDENT QUESTIONS AND CONCERNS

Resident had a question about the December 17 seminar on siding. **ACTION: Resident was encouraged to talk with Nancy from Activities office.**

Resident questioned why there are white lines at stop signs only in certain areas.

ACTION: Per previous management agreement, only highly trafficked stop signs would have white lines. Hank Hein, retired traffic engineer, presented at November 6 resident association meeting, and he will visit with Christie about traffic concerns in the community.

MISCELLANEOUS INFORMATION

Hearing aids and eyeglasses are still being collected for the Lion's Club. Please contact Peggy Marcone.
