- LPGRA earned the highest annual gross income since inception of the association
- Donated the highest amount ever to six non-profit organizations.

ACTION: Motion made and seconded to approve the treasurer's report.

OPEN ITEMS

- Resident requested clarification on why we collect information about license plates if management is unable to determine who they belong to if needed.
ACTION: Christie indicated that residents need to call police when issues occur needing a license plate.
- Resident seeks clarification relative to recent discussions at pickleball courts including why paddle board was taken down.
ACTION: Shelving was put up without authorization; maintenance took paddle board and shelving down. Christie working with Mike Scandrett, and another paddle board was approved and will be put up. Open play is for everyone. Courts are for everyone. Nancy is switching reservation system starting Jan. 1. (As of today's meeting, the reservation system has not yet been started.)
- Broken handicap door switch, back near pool, has not yet been repaired even though it's been a month since office was notified.
ACTION: Christie indicated that this will be replaced. Ed reported that it has been fixed.
- Christie was going to check on changing wording on slow down signs.
ACTION: Unable to change wording. Some signs will change at 20 MPH.
- Vehicle was parked in one of the parking mail spots. Found out it was a visitor playing cards. Question raised why lights around signs aren't put up any longer.
ACTION: If parking in mail spots occurs on Monday, announcement will be made to move cars. If vehicle not moved, it will be towed. Nancy will be contacted about the sign lights. Check with Nancy about putting up the lights around the no-parking spots.
- Christie was going to check on spraying of invasive species.
ACTION: Letters were sent and common areas were sprayed. Pesticides take a couple days to work and should last a couple months.
- Has Christie spoken to Hank Hein about stop signs/traffic concerns?
ACTION: Letter was sent to him. Peggy mentioned that he was on extended vacation, but is now back. Will follow-up with Christie.
- Christie and her staff were invited to the Resident Associations chili cookoff on January 20; she took a flyer and will post in her office. Currently, 157 people signed up and cut off made for 16 to make chili. Will do a 50/50 at the event.
- Dog Bite at dog park: Happened a couple days ago. Dog bit a resident. Maintenance had to clean seat. Christie was unaware but will check with her staff. Christie would like to know who's dog it was.
ACTION: Dog bites should be reported to the office as soon as possible, so an incident report needs to be completed.

Items from Management (per Christie):

- There will be an annual community meeting on January 28 at 4pm.
- Bollard lights: There has been a good response by community in regards to updating bollard lights.. Charging people is always a challenge. Very important to have working bollard lights for emergency personnel/delivery people.
- New resident directory is now available in the activities office, new car stickers should be done by the community meeting.

BOARD ACTIVITY REPORTS

- Annual review of by-laws.
 - Peggy is asking for four volunteers to do review. It's done usually between January and March. After review, by-laws will be brought to the board for their approval, then presented to community. Peggy will be on the committee as first vice president.

ACTION: Francine Barbro-Meiners, Nancy Kochanski, Jeff Thoman, and Dale Putman will do the review.

RESIDENT QUESTIONS AND CONCERNS

- Dates of RA meetings are now located on the back of the calendar rather than the front. Some people don't know about it, even long term residents, Peggy asking to have those attending to spread the word about RA. Michael Thesman appreciates the RA here at LPG. This board was instrumental with recycling. (Aluminum and clear plastic bottles (it helps to have them crushed. Crushed cans get more money.)

ACTION: Cheryl will include information about recycling in the next edition of The Observer.

- We cannot charge residents for activities, but we can get money from 50/50 sales.

MISCELLANEOUS INFORMATION

- Chili Cookoff on January 20th. Please sign up on the pen and quill board if planning to attend. Prizes will be awarded and there will be chili and cornbread for all residents who attend after the judging.
- Comment Forms are on the LPGRA.org website and are sent directly to the Board from the website. Paper forms are available during the meetings, and can be filled out and handed to any Board member. Other flyers are available as well.

NEXT MEETING
