- A new assistant manager has been hired and started on 2/20. Becky Enger found employment elsewhere.

BOARD ACTIVITY REPORTS

- Changes to By-Laws resulting from recent review: Peggy
 - Bylaws are reviewed annually. Review was done by a committee of five residents in January. Changes consisted of each paragraph given a heading and a couple of typos corrected.
 - Under "President" category, no time limit was specified for submitting meeting minutes to webmaster. They have been submitted, but webmaster hasn't been entering them on the webpage. He has been busy with a large project for his full-time job.
 - Request was made to add information to bylaws about donating to other non-profits. Peggy informed group that that is a federal requirement which falls under IRS stipulation and not under RA bylaws.
 - Peggy thanked all the residents who were on the committee.

ACTION: Donna will contact the webmaster to see if previous meeting minutes can be added in timely fashion. Take out the "time" constraint under "President" paragraph. Motion made and approved to accept bylaws with corrections.

- Committee Updates: Ted
 - Ted would prefer using term “working group” rather than committee. Has a working group looking at chair replacement for craft rooms (from previous resident request). This expenditure would be part of the capital budget. Working group goal is to do a presentation to management this summer. Group will meet following this meeting.
- The annual AAMHO (Arizona Association of Manufactured Home Owners) meeting will be on March 28, 9 AM, at ViewPoint Golf and RV Resort. If you’re a member, it’ll be free go. Residents will be able to join when attending the meeting. There will be different speakers. Lobbyists will also be there.

RESIDENT QUESTIONS AND CONCERNS

- Where are the raises going; what does management do with the increase? Residents would like to see improvements made to LPG. Peggy stated that there are increases throughout the valley. Thesman had the smaller of increases as compared to other organizations.

MISCELLANEOUS INFORMATION

- Fundraising: Cheryl: Looking for a working group for fundraising. Currently, earn about \$300/month from recycling and 50/50. In the past, we have sold bags, mugs, etc. Resident asked if RA needs the money? Cheryl explained that RA gives a donation to other non-profits at the end of the year. Money is also needed for any activities, which will hopefully enhance RA membership. We are allowed to spend 60% of our income for administrative costs. IRS requires non-profits to donate to other non-profits.
- Ted reminded residents of upcoming LPG spring concert on April 1, \$5 entrance.
